

Getting Started

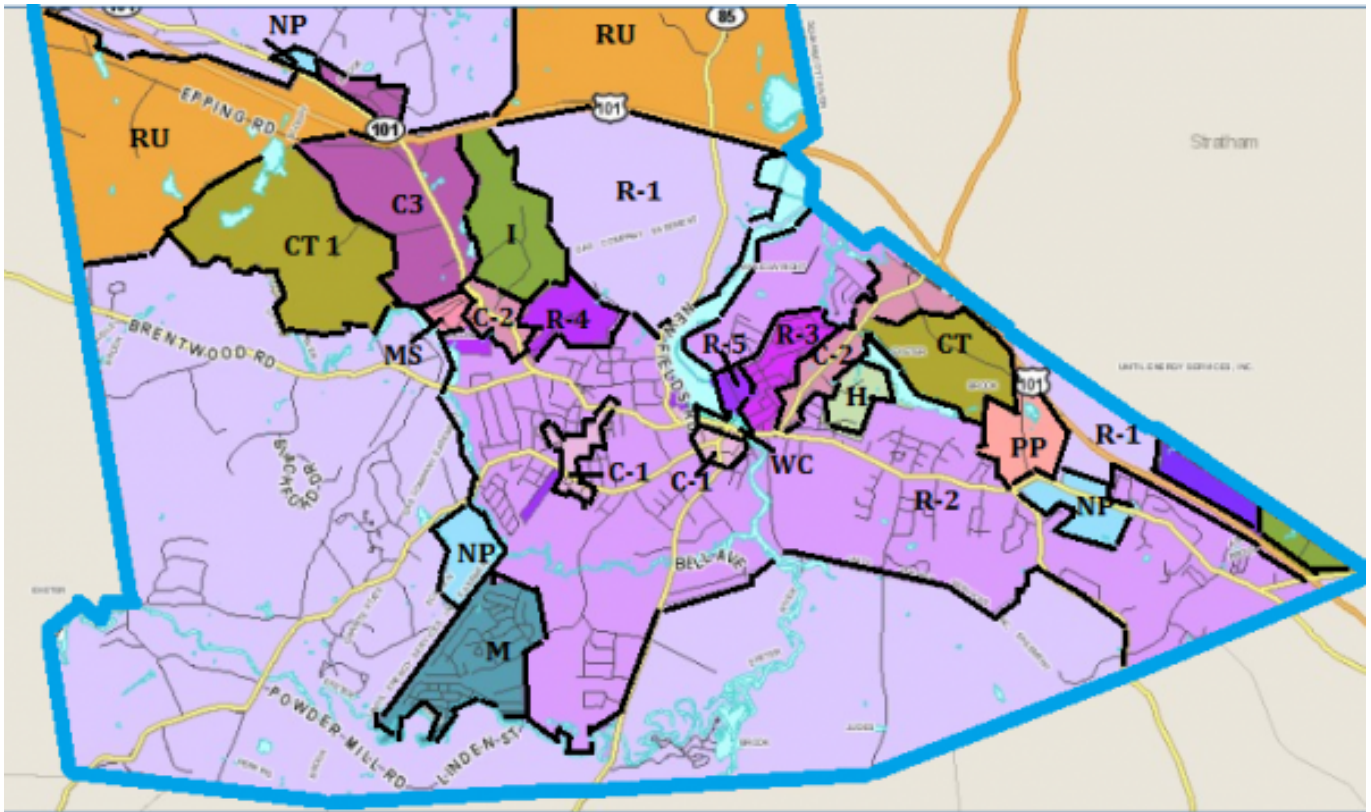

Exeter has several commercial districts in which businesses are welcome. The Town's zoning ordinance is the controlling document for development in the Town. Commercial Districts include the C-1 zone (Central Area Commercial), C-2 zone (Highway Commercial), C-3 zone (Epping Road Highway Commercial), NP (Neighborhood Professional) and WC (Waterfront Commercial). In addition the Town has two Corporate Technology zones (CT and CT-1), and Industrial zone (I), and a Healthcare zone (H). The remainder of zoning in Exeter is residential. The map below shows the various zones located throughout Exeter, for both residential and commercial purposes.
